- We have fun meeting others that enjoy fishing and the outdoors. We schedule fishing trips to nearby Arizona locations as well as other more distant destinations.
- We help support fishing opportunities here at our own Lake 9 for our residents and their kids and grandkids.
- We participate and help support Veteran's fishing programs, Boy Scout, Adaptive Kids Fishing events.
- We enjoy various social events, picnics, and our Christmas banquet.
- We look forward to meeting you and going fishing!
